“ *Dee Ann & I and our entire family were very saddened by the news of Marks passing. Mark, Kay, Tony, Tom & Tracy lived across the street from us for the better part of 10 years back in the day. Mark was a great neighbor and great friend. He will be missed.*

“ *I first met Mark and Kay when our children decided to get married. Today I would absolutely call him my friend. I am saddened that he has been called home so soon, but then I know heaven is the place of healing and where we all long be.*
Mark always had a very welcoming and friendly smile. I never heard him say anything negative about anyone. He will certainly be missed by all in his family and his friends I am confident God has welcomed him with a “well done, good and faithful servant “

“ *Mark was one of the funniest men I have ever known. He had a smile that could light up a room. I met Kay and Mark when I was just about 20 and have always thought of them as family. Mark will forever be in my thoughts and prayers.*
