“ *Great Uncle Marvin always had a joke. I remember he always payed special attention to children. In discussing stories about him, my mom mentioned that every time he would see my sister, he'd call her "Hannah banana fee-fi-fo-fana". Haha. Always spreading light and joy! We will miss him dearly!*

“ *Marvin, as I remember him was a kind calm man with a caring heart. We share 2 beautiful grandchildren who are going to miss their pawpaw which is a testimony itself to the man he was. I know he will be missed but I also believe his goal was to meet Jesus and he is there right now with Barbara which is amazing to think about. Our prayers are with the family left behind to love and support each other as they go through the grief of saying goodbye to a parent.*
