“ Denise.

I am truly sorry for your family's loss....I can only hope that your Moms passing is a bittersweet end to her fight to live on her own terms. I was glad to learn that your brother was able to see/sit with her before she left this world.

Lossing your mom can not be easy, but if you can, take solace in the fact that she lived to see much of the wonder, insight and resolve that 80yrs can bring....and you were fortunate enough to be near her and give back through the many years and her final days.

The cycle of life....a treasure to remember and share....fertile soil for a storeyteller.

Peace be with you, Mike and all the family
