“ My sister Eunice and I loved our big sister, Elizabeth. When she started working in Augusta she wanted us to ride the bus there so she could buy us school clothes. I was too chicken. Finally she said if I would come she would buy me a bicycle. I did and she did. It was really for my sister and me. We loved that bicycle! And the new clothes.

“ I have so many memories of field service days with Liz. We were always finding ways to save money so we'd use our Burger King coupons for lunch-BOGO free. On the last Wednesday of the month after service we would go to Value City for half price on discounted slightly used clothing. Those were good days. She was Mama Lizzie.

“ I'm so sorry to learn of Liz's passing. She was always such a sweet sister and had such a pretty smile. I look forward to seeing her again in the resurrection.
