“ *Your life on earth was a blessing and testament of selflessness and sacrifice towards all that you encountered. I will miss your bright smile and our warm conversations reminiscing over your life story. Your friendship, love, and endless encouragement made who I am today. I am sad to lose my friend, my confidant, my hero, my Grandma. You have given us a tremendous gift while on this earth, it's time for you to bless those waiting on the other side. I love you Gram.*
