“ *Mary Kach, God called you home last week, as His purpose and plan for your life was completed. He now has you living right with Him in heaven. There will be no more pain, sickness, or sorrow. You are now with your parents and all of your loved ones who went on before you. There is only happiness for you from now on. Steve, Richard, David, Danny, your grandkids, your friends, and your other family members now have a hole in their hearts a mile wide. Yet they will somehow, some way learn to live on and think of you with happiness. Rest in peace, Mary.*

“ May there be comfort in knowing that someone so special will never be forgotten. Gigi was a beautiful soul and treasure. Her smile could light up a room. Our family loved her and feel so blessed to have known her. We always looked forward to sitting with her and spending time with her at all the games. She will be missed.

Prayers for your family,

“ I met Mary through my sister Tricia. All of our families became close friends and we went on a trip to the North GA mountains every fall and a trip to Panama City Beach FL every summer. Mary was so gracious and giving and opened her home to everyone. My sister Tricia and her husband Mike were married at Mary and Steve's house. She had the prettiest big smile and I will never forget how many times we laughed and danced together. The Eagles' song Heartache Tonight was her song. I'm so saddened to hear about her sudden passing. I pray for comfort for Steve and all of her children and grandchildren during this difficult time.

“ My heart is heavy as I remember my High School friend. We had drifted apart after graduation but re-connected a few years back & I loved catching up on the boys and their families. We shared many fun times, CAP, Ft. Lauderdale beach & life events. She was a beautiful friend, always a warm smile and kind word and my life was richer because of her. RIP and may God comfort Steve, the boys & grands. Love, Lee Ann

“ *My dear friend Mary and I first met and became friends in the first grade in Miami, FL. We both moved to Sunrise, FL in 1962 when we were 15. What a shock we had when we realized we were moving to the same neighborhood. We were friends all through high school. We stayed friends even after we both married. Mary, Steve, and boys visited us in Richmond, IN. What a wonderful time we had! The boys wanted to take my oldest son, John, to Steve's class reunion in Ohio with them. The last time I saw Mary was a one-in-a-million chance meeting at a department store in Atlanta. I had never been there before, nor since, as I live three hours away in Augusta. What a shock to realize Mary was walking in front of me! Sad to say we lost touch so many years ago. Even though she was in my thoughts so many times, we didn't connect. For this, I will always have deep regrets.*

Rest in peace, Dear Friend.

“ Dear Steven, Richard, David and Danny. Mary's smile lit up the room and brought joy to all in her presence. I was blessed to have her in my life since 1964, when her family moved into a home one block away from me. She and I became fast friends, as did our mothers. My memories include neighborhood parties, our years at Fort Lauderdale High School and visiting her at FSU. We shared major life events, marriages, divorces, births, deaths, illness, sorrows and joys. Her children and grandchildren were her greatest joys, which she shared with me via pictures, cards, phone calls and occasional visits. I treasure every memory. Rest in peace, Mary, and continue to smile down on us. Love you, dear friend. Kathi

“ *I am shocked and sad of the passing of my friend Mary. I met her in high school through my brother and his friends over 50 years ago, she shared with me the happy times in her life and helped me through the sad times in my life from the passing of my brother. She would call and check on him during his battle with brain cancer, and write me and help me thru it. We may not of lived close by, but we tried to stay in contact with each other. I knew how much she loved her sons, husband and her grandchildren. May God keeps his arms around the family during this sad time and may her beautiful memories live on....*

“ Steve, Richard, David, Danny & Families,

I am so saddened to hear of Mary's passing. I have very fond memories of my days working with her at State Mutual/Allmerica Financial and who could ever forget the fun times we all had at Anne Mooney's annual Christmas Eve parties. A true family tradition for years. I am out of town and will not be able to attend the service but please know my thoughts and prayers are with you all. She was a wonderful lady!!

“ I am very saddened to hear of Mary's passing. I have very fond memories during the time I was blessed to know her. The first is her beautiful Christmas sweaters. She had one for every day beginning with Thanksgiving. She was a very dear lady who loved God, her husband, her children and grandchildren. She was very proud of ALL of you. I pray for comfort that only God can provide during this time. Rest assured in knowing that Mary is basking in the glow of Heaven today.
