“ Mary was a beautiful person, inside and out. She and my mom Brenda were as close as sister, best friends for as long as I can remember. Growing up with Heather and Nicole, she became a second mother to me. Her daughters became my sisters. Her family, my family. She took us into her home when mom and I had no where else to go. I will never forget her kindness.

I hate that as we grew older, we didn't get to spend as much time together. I suppose we, as humans, take for granted the little time we get to spend with the people we love. I do hope Mary knows how much I cared about her. Her heart of gold definitely made an impact on me. I want to thank her for being such a wonderful friend to my mom. Our hearts are broken that she is no longer with us. But we are so glad that her suffering is over.

It truly does rain the most on people who deserve the sun. Mary definitely someone who deserved sunshine.

Heather, Nicole, Donna, Alan, please don't ever forget that we will always be here for you when you need us. We love you all.
