“ *My mother was the most loving and caring person. Even though it has been a year and three months since she passed not a day goes by that I don't think about her and miss her dearly.*

I was not allowed to be with her when she passed and will never forgive those responsible. Don't know what in the world I did to deserve the hell I was put thru. They have to answer to God as do I.

“ *Mary Ellen was our Grandma and great-grandma. She was so wonderful and sweet. She could make anybody laugh, and she was always there for us. She was very proud of all of her children. We love her and cherish her to the end of the earth and back. She was the kindest person we've ever known, and anyone who knew her was blessed. She will forever be missed, and her memory will live on in our hearts always.*
