“*Mary was a blessing to us from the time she worked with Mark almost 40 years ago until she went home to be with her precious Jesus. We enjoyed watching the girls grow up, sharing stories of faith and family along the way, knowing we had a friend to encourage us as we moved through this life. Mary loved her family, showed tremendous courage in battling that dreaded cancer and never gave up. Praying for the family's peace and comfort, content to know we will see our beloved friend in heaven again, where she is now healthy and happy for eternity.*”

“ *Although I never met you, it felt as though I know you. You and Melissa have helped me get through hard times with my mother and gave me hope. God bless you and your family. I'm glad you are no longer suffering and I'm sure you're loving your new life in Heaven.*
