“ I would be getting ready to come down and get y'all. On the way down here you would be telling me how you didn't like me driving all the way down there to get y'all. It's only 20 minutes. How I miss that long ride, I would make it a lot longer so we could talk 1 more time. I Love you Mama and God knows I miss you so much.

To hug on forever. Sometimes I feel alone and feel like nobody love me. Nobody checks up on me like you use 2. Remember everytime you saw me you would ask if I was okay and I always said yeah. Tbh nannie I wasn't. And I'm glad you notice cause nobody else do. You know nannie, I wish I was perfect like the others. I wish I was better. I'm broken nannie 😞 please come and see me

“ I miss you nanny so so much. It going to be very hard for me walking in our house and not seeing you on the Couch, me fixing us breakfast and you fixing dinner. I will miss watching movies, eating popcorn and three Musketeers with you. I will miss our ride to the store. I will miss our talks that we had together. I miss holding your soft hands, your goodnight kiss and you saying I love you. I’m glad that you are my nanny and you was in my life for 35 years. I love you, I love you, I love you .

“ I'm so sorry to see the day. A day won't go by that I won't miss you. I miss the days of looking forward to walking to your house from the bus stop after school to see you and Brandon. And I know you wanted to see me graduate in May, and I cry knowing I won't see you in the crowd at the graduation. At least you got to see me have my surgery, I know you wanted to see it happen since the day I was born. I will miss you Nannie. I wish you rest well. I will always love you to the moon and back.

“ *Nannie, this is a hard pill the swallow. I'm gonna miss you sooo much. Skybella loves you so much and I'll make sure she knows who you are when she gets a little older to understand. I knew how much you loved her. You would always put a big smile on your face when you seen her walk thru your door or when you came to my house and you would watch her and Amelia play with their toys. Im going to think about you every second of the day everyday. You was a BEAUTIFUL & SWEET Nannie anyone could ever ask for. I pray god give me strength and somehow get me thru with as I will struggle with the heartache when I lost you. Nannie god seen you was getting tired and was in so much pain he wrapped his arm around you and told you to come with him and that's when your golden heart stopped beating. God broke all our hearts to prove he only takes the best 🙏🏠💕. Me and Bella Loves you so much and will miss you more as days go by...*

*Love Your Granddaughter,
Destiny.*
