“ We were fortunate to have Krista and Matt as good friends while we lived in Bridlewood. So many good memories and fun times. Matt cherished Krista and was a proud father of Sean. You will be missed Matt.

“ We've had the pleasure of knowing Matt & Krista from living on the same street. Our earliest memory was in 1995(?) when Matt was the DJ at the neighborhood pool party. It was then that my husband Tom & I decided that Bridlewood was the perfect choice to call home & raise a family! Matt, Krista & Kim have all contributed to continuing family traditions in the neighborhood for over 30 yrs. I know he will be missed by his immediate family & friends as well as his Bridlewood family.

“ We are all so very sorry to hear of Matt’s passing. As we were all growing up in the old neighborhood on Irving Street in Lockport, we were all more like brothers and sisters than cousins. Many great memories and please accept our prayers for all of the family. Love from the other Farrell’s

We are very sorry to learn of Matt’s passing. He was a great person, father and family man. I have many fond memories of him and his brother Kevin over the years. Some were very funny and remarkable and I laughed hilariously. Our prayers are with Krista and her family and the Farrell family.

Barb and I just pulled into town this afternoon only to learn that Matt passed away last weekend. So sorry I could not be there for his funeral Mass and reception. He had such a commitment to Mary Our Queen over the years, he will be sorely missed.

God Grant Eternal rest to his soul and continue to bless his family,
