I did not know about your mom in time to pay my respects I had just asked about her a couple of weeks ago. We worked at Eastman Kodak Company together for many years, She was always a dear friend and I loved her so much. The last time I saw her was in Publix and she said to me "don't ever retire unless you have to". and I told her I loved her then. She loved all of you and was so proud of her children,

*Love to all of you
