“ Maxine- You have been so sweet to me and my mom and dad during our hard times and I've loved my time with you, your kidding around, your scooting around in your wheelchair from room to room in the clubhouse and drinking margaritas with Peggy and us at the mexican restuarant. You are an angel, and you will always be remembered in my heart. I love you and Peggy like family and hope you have a lively and fun life in Heaven. I'll miss your kisses on my cheek and think of you often! I'm so sorry I didn't come to see you last week but know I was thinking and praying for you. We will watch over Peggy for you and so glad you were part of our lives these past couple of years!!! I love you, Kevin
