“ Precious Amanda and Nicole,
My heart is so heavy for you at this time. Unfortunately, I am out of town and could not be with you in person today; but as I sat here and watched and cried throughout this service, I rejoiced that we know your mother is with the Lord. Prayers have been with you girls, your father and brother throughout this journey; prayed for you all during this service; and prayers will continue after today. This was a beautiful service honoring a Godly woman... wife, mom, sister, daughter and friend. Those who knew her were blessed. You both will carry on her legacy through how you live your lives and how you love. You are both amazing young women and I love you!

“ Maxine was a fantastic lady and we love her and her beautiful family. Her sense of humor and laugh brought joy to everyone around her and she enriched the life of anyone she came in contact with. She lit up the room, especially when she was talking about her children. We will miss her tremendously.

I had the pleasure of knowing Maxine and can say she was a beautiful person inside and out. The last time I saw Maxine was March 2019 when she and her family came to see my family when we were visiting relatives in Georgia. I have beautiful memories of that visit.

Rest In Peace Maxine, you will be missed here on earth, but to be absent from the body is to present with the Lord.
