“ I have known this beautiful Angel since I was about 8 years old. She has been there for me and my family more times then I can count, from planning my wedding when I was 20 years old to both of my bay showers, countless dinners, family reunions, parties, and every important moment in between. She was, and always will be one of the most important people in my life and I will miss her terribly, there really isn't anything in my day to day that won't make me think of her. She filled my life with joy and her answers to just about any hardship was what can I do to help and let me feed you. She fed my heart, my sole, and always my stomach 😊 The coming days will be difficult, but one thing will always remind, the love of family and that will always continue as we continue to love and support one another. Thank you Melanie for adopting me into your family that many years ago. Thank you for loving me for who I was, thank you for you for praying for me ,and with me and always believing the best in me. To know you was to love you and there will never be another that could take your place. Fly high my Angel 🙏

“ *Melanie was a beautiful person inside & out. She never met a stranger, you were always welcome in her home & she loved to cook for everyone. Melanie loved to have a party either for a birthday or shower or family gathering. Melanie loved to spend time with her kids & grandkids. I will miss her lovely spirit. I am just very thankful that she went peacefully and did not suffer. Go rest now Melanie & keep watch over us all.*
