“ *It is so hard to believe you are gone. I am so proud of what you accomplished in your short lifetime. There isn't a minute of the day that I don't have you on my mind and heart. It is still like I'm in a fog. Maybe later I can write a better message. I just know I feel like part of me has been ripped away from me. I love you and miss you.*

“ Dear Mark,
Jennifer and I wanted to tell you we are praying for you and Ethan. We have the church here in Germany praying as well. Our hearts go out for you and know that Gods grace will be there for you. I remember when we lost our third child God was so real during the grieving time. Our Pastor told us to find someone hurting and do for them. It was good advice and help with the pain. We will continue to pray for y'all and if you need anything that we could do please let us know. Thank you for being a good testimony through the years.

“ *Melissa was my dearest friend in school years. She provided a friendship that was true in heart spirit soul and mind. I have been heartbroken since I heard the news early Thursday morning. She loved her family and God without waiver. As a child singing every Friday in chapel one song was repeated. and who knew today that it's words would come as a comfort. I need no other argument, I need to either plea, it was enough that Jesus died, and and that he died for me. With all my heart Melissa I will see you soon my friend on the other side in heaven. I Imagine that God has prepared a special set of wings for you red and blue with the word Cubs Across the back. Give dad a huge hug and we will all be together again soon. Love you all the days of my life. Mark, Ethan, Michelle, and Momma Bonnie, Know that you are all in my prayers as you go through this difficult time and I am here should you need anything.*

“ One of my earliest memories of Melissa: I tried to remove a few stains off of a white vest that I wanted to wear to church. In my ignorance I used straight bleach. When I got to church, those spots turned purple! Melissa took me to the restroom, washed out the bleach, dried the sweater, and helped me recover without having a complete meltdown. She was Mark's girlfriend at the time. It was a simple act of kindness that I will never forget!! I will miss you Melissa!
