“ I have thought of Paula all day today and can't believe this is real. It just doesn't seem possible. I have thought so much about that weekend years ago that April and I spent with Paula and Jennifer when we were kids. I remember it like it was yesterday. We love you so much Paula. I will never forget your smile and natural happiness with life, always asking about everyone else, putting everyone else first. We will cherish your memory forever.

“ Florence and Jennifer,

*Glen and I are still in shock. It is so sad to think of this world without Paula in it. She was one of the sweetest people I have ever known. We are praying for your strength to make it through this difficult time.  
We Love you.*
