“ *Praying for the family during this sad time. Melva and George were great host. Randolph and I went to see them for a couple of days. Great memories.*

“ When we think of Melva, and reflect back over the many years we have known her, images of goodness always come to mind. There were always flower gardens, hummingbird feeders and family picture groupings hung throughout her home that let you know her home was one of love and genuine goodness.

*Melva was the consummate Southern Lady whose character, dignity and caring for others was a keystone to how she lived her life. She was Nana, always there with a cookie. She was a supermom whose unconditional love for her children shined like a beacon. It was self evident and ever present. She was an accomplished cook that could conjure up a batch of buttermilk pancakes that had the taste of magic. She could serve you a meal of "Chicken Pot Pie" that was without equal. She was so much more than could be conveyed on these pages. In every way she was an inspiration and a model of how to live your life. We will miss her terribly and we will think of her often. She has our never ending love and affection. Our deepest sympathies to all of the family. Our thoughts are with you today.*
