“ To echo what so many have said—Mike was just a kind soul. You knew that as soon as you met him. He was a hard worker who would do whatever you needed. I had the pleasure of working with him in the ED for several years and he was just one of the nicest, caring, most helpful people I have ever met. I know he will be missed by his family and I am praying for Carolyn, his kids, and grandkids as they cope with this loss.

“ Mike, as everyone has universally said, was one of the kindest most genuine people I have ever met. It was a true privilege to work with him at Scottish Rite in the ED for so many years. I always knew if he was there when I came on shift, no matter what, it was going to be ok. His smile was the sweetest. He will be missed by so many and my heart breaks for his family. He was truly a “borrowed angel” while on earth and now is an angel in Heaven. Sending much love and peace to his family.

“ Mike Goodman was a legend in the ER. Everyone knew Mike and loved him. He was always coming up with creative ideas to help make our life in the ER easier...he was the fix-it man even back before he was helping fix broken bones. He was such a calm soul and had such a warm comforting smile and demeanor. He always asked about my boys and took time out of his day to stop for a conversation. I missed seeing him around CHOA the past few months and am so sad to hear of his passing but am glad that he did not have to suffer. I just wish I could have seen him one last time and told him thanks for always making my day brighter. You will be missed Mike Goodman! Condolences to your family who I know are missing you so hard right now.

“ Mike was the sweetest man I have ever met! He was always smiling even when you could tell he was under stress. Working with him was always such a delight.
When I had my daughter he made me, along with many new moms at CHOA wooden rulers to mark our children's growth. I will forever cherish this gift, always remember this sweet, precious soul. My heart breaks for his family and friends.

“ *My heart is so saddened by the news. I'm so sorry and faithful prayers for his family. He was my absolute favorite human in the ER and I saw him often coming to the gym at Support. What a faithful servant and example of 'well done'.*

“ *My heart is truly saddened. Many people didn't notice this sweet sweet man; but he was my work buddy! My mind goes all the way back to working side-by-side with him during his Ortho Tech days. As well as, working with him on projects within the ED. Always smiling, always helpful, & very humble. As time went on, we became dear friends. We greeted each other with a quick hug and catch-up. You will be missed, Mike Goodman (OrthoTech, Mr. Fixit...). My heartfelt condolences and prayers to his dear wife, children, grandchildren, friends and family. - Juleen W. (CHOA Scottish Rite ER)*

Mike had the warmest soul in the ER. He was soft spoken and I loved seeing his genuine smile and getting my hug when I worked with him. I loved his project ideas to improve the ED as he was so talented. He spoke lovely of his family and was excited to show pictures of their adventures. He is truly a rare gem the world needs more of. Prayers for the Goodman family.
