“ Mike Gora was a true Renaissance man, and a dear friend. He was a pillar of the Boca Raton, Florida legal community, serving as Chairman of the Chamber of Commerce, President of the local bar association, a trustee of the Boca Raton Museum of Art, and President of The Rotary Club of Boca Raton. In addition to being a very talented attorney, Mike was an award-winning fine arts photographer and published several books of poetry. I met Mike when he joined the Rotary Club of Boca Raton. He brought to our Club's service mission the same energy he demonstrated in his professional life. He was active in countless Rotary service events and led the Club as President in 2014-2015. His favorite role was as Club photographer, particularly for our annual student performing arts competition. I am blessed to have had Mike as a friend and I send my prayers to his daughter Robin and her family.
