“ *Peggy and I were so saddened to hear of Mike's passing. Although recently we have only communicated through e-mails, I can still hear his laughter. May Helen find peace. He will be missed by all who knew him.*

“ *We were so sad to hear of Mike's passing, and I offer my deepest sympathy to Helen and the rest of Mike's family and friends. Mike is a real gem, so smart, so funny and such a dedicated colleague. Mike and I worked together at AT&T the past few years, and in speaking to others who worked with him prior to our meeting, my experience with Mike was par for the course. You are missed Mike, may peace be with you.*

“ *Our wives worked together closely for many years; Mike and I were just acquaintances, but we shared emails for several years. I save all of my emails, and after Helen called Myra to tell us of Mikes passing, I compiled all of them. He is so funny, likes technology, makes fun of our political leadership, and really enjoys the beauty in nature. I'll miss his email jokes, links to great pictures, and overall thoughts on our country.*
