“ Michael was the best son a mother could want. We were so proud of him. He was a family man. He loved his wife Jill and two sons Christopher and Andrew. They were the world to him. He was a conscious dedicated worker. He loved photography, his pod cast show that he created (jpeg2raw), grilling, frying Thanksgiving turkey's, and flying his drone. He had a great sense of humor and was fun to be around. I thank God for choosing me and his dad to be his parents. It just wasn't long enough, but I'm thankful to have had the time we did. We love and miss you so much. Mom and Dad

“ I absolutely loved Mike—sorry Jill. His wit, intelligence, and caring for others was unmatched. He will be missed though he will always be admired and an inspiration for others. Jill, the entire Waffle House Family is thinking about you.
