Tribute Wall

“ *Daddy was all about singing and playing the guitar. He had amps three different guitars microphones speakers. He was a real rock ‘n’ roll singer and some country too. All my life he did this he even wrote his own songs. Of the favorites was Johnny B good. He would so get into that when he sang it. Another one of songs was country Roads. He also loved proud Mary. For as long as I can, remember, my daddy loves the water, loved fishing, boating, camping he exaggerated a lot of the times of the fish caught and the size. Haha!! My daddy was a very very strongman he has been through a lot in his life, gone through a lot of things, but he still prevailed. I hope you know how much I love you Daddy! I will always be your Randi Ann... I will always be Daddy’s little girl.*
