“ *Mike I only had a short time with you in that time you became a good friend. Your way of making everybody laugh even on the worst of days, your constant jokes and no matter what you always had a joke to say. You were always there for me watching my back and working with me to get everything done at work. I loved you as a brother you will always be in my heart. You left a special memory with me that will never be forgotten. You were always helping people out no matter how bad it was for you and never complained once for doing it. You were an amazing person. I miss you Mike I wish this was all just one of your jokes and you would walk through those front doors a big ole dip in and a smile on your face and say I gotcha good. Love you bro*

“ I only got to know you through my son Korey who worked with you at Tractor Supply. I will always remember that day I got you so good in the parking lot on your way into the store to work. The look on your face when I called your name. The laughing with you and Korey that day. You were always laughing and making everyone else day uplifting. I remember Korey saying you wanted the puppy that I had liked the most and I told him to give it to you if you wanted her. Mike I have zinnia and I am happy to have her back but honey I wish it was under different circumstances. Your memory will live on through her and by all your coworkers at Tractor Supply you left behind a legend to all who had the opportunity to meet you it only took one time. because you're smiling face and laughter was contagious. You are missed here in Toccoa GA., Tractor Supply Customer and Mom of a dear friend, Debra Mayes

“ This is so devastating to my husband, me , and my kids. We have know you less thn 6 months & you made a major impact on my family! We just spoke to via text the past week! Never thought we would never get a chance to see you again and hang out at the cabin. The last time we hung out you cooked us some nice steaks over the fire and shot off some guns! This is so unbelievable! Will loves you like a brother! You will be truly missed. Totally a loss! Such a great, kind hearted, humble, loving guy! We love you Mike!!!!!!

“ I am so sorry for your terrible loss. Your tears are seen from God above and he makes a promise at Revelation 21:4 that soon death will be no more. He will call out to your precious one and he will wake up. The effects of death will be reversed and you will be able to hold her once more. That is a promise from God! (John 5:28,29; Job14:14,15; Job 33:25)

“ Michael was my my best friend and brother. He stood up for me no matter what happened. We would ride our skateboards and bikes around Flowery Branch for hours on in. We made stupid movies that only we would laugh at. He became a huge part of my family. We took all of our family trips together. No mater what he was always by my side. I looked up to you Michael.I miss you dearly and I wish I could hear your nonsensical banter and jokes one more time. I love you man and I will never forget how much of a free spirit and a funny easy going person you were. I will deeply miss you bud.

“ We were high school sweethearts and drifted apart once I started college. You were the most upbeat, funny, and the sweetest guy in school. I'm praying for your family and hope you visit them in their dreams to comfort them during this time. Rest peacefully.
