“ *She was such an amazing young lady. Loved her and her passion for her family and her Dawgs. Being a GT fan she always gave me grief. Loved her and always loved seeing her. She is an inspiration to anyone that came in contact with her. Rest in peace sweet girl. You will always be in our hearts.*

“ Michaela was a true example to all who knew and loved her as well as to those of us who followed her life because we knew a family member of how to live life to the fullest no matter the circumstances. Heaven is a little brighter now that she is with God and she can do all the things her body would not allow while she was on this earth.
