“ We were saddened to hear of your loss. Michelle was our friend in high school and we both remember what a happy, positive person she was. Loss of a loved one is always hard, but maybe even more so during the Christmas season. May God continue to grant you all His comfort and peace as you move through this valley.

“ My sincere condolences to the Beasley family. Michele was a blessed woman and anyone who had her come through their life was blessed, as well. My memories will always be brightened when I recall the day she drove the gator while I worked the pedals during a visit to my home in Statesboro. It was something she was reluctant to do at first, but my goodness at the joy it brought her and everyone who saw it.....priceless!!! She is not gone....she lives in our hearts and we will be with her again in due time. May God keep and bless her family always.
