“ Tammie,

I love you like a sister! We have been through so much loss and found Gods love together. The loss is so hard to take, but God will get you through it. He is always there. I am always here for you and will help in whatever earthly way I can. I know it seems like the world just got dumped on you I felt the same way after losing my sister and my dad after already losing my mom. You were there the whole way please let me be there for you.

*Blessings and Grace
