“ I want to express my condolences to your family. I know Mickey put up such a strong fight and was able to enjoy such special family time even through his pain and discomfort. He was and will continue to be an inspiration to those that knew him. I pray God will give all of you peace and comfort during this time. As humans of course we grieve because we won't physically see our loved ones on earth but as believers we rejoice in knowing that they are with our Heavenly father enjoying restored bodies and dancing on streets of gold. Love to all of you from Judy & Lexie
