“ *The thing she will always be remembered for is her beautiful smile that she put on our faces every time we saw her during family gatherings. Seeing her presence is the most we will never forget about and having amazing conversation with her. She will be truly forever missed and will always be in our hearts.*

“ *One of many memories is when Migdalia (Dalia) and I went to Coney Island. Just us two. We had such a great time. We ate, went on rides, played soooo many games. Between the two of us; we won 17 stuffed animals, some of which I still have today. We sure laughed a lot. We took the train to go back home about 1am. We talked about how concerned Uncle Ray probably was and joked about how he wouldn't let her hang out with me anymore. Uncle Ray was indeed concerned due to the time we arrived home, but we had such a great time together. We've also had some great talks even after she moved to Georgia. She always talked to me about God and what His word says. She encouraged me to get baptized. I will surely miss her beautiful smile, laughter, loving kindness, and sense of humor. Dalia will Forever be in my heart. I will miss her and love her ALWAYS.*

To my uncle Ray, Chris, Vangie, Juni and family...I am so sorry for your loss. My heart aches for all of you. May God give you all the peace, comfort and strength to carry on during this very difficult time. I love you all with all my heart ❤️.
