“ Sorry for your loss. I remember Mikey as a fun, caring, loving and warm hearted person. He was a good brother and son to his family. He always made me smile and laughed hearing his jokes. Pretty much, he had no fear to be the center of attention. He loves to cook, and I still need his recipe for the mussels he had prepared one summer ago. I will miss him dearly and I know you guys will too. I have taken some good quality photos of Mikey, when the time is right please let me know because I would love to share it with you in memory of him. Brett thank you for introducing me to your brother. I am here if you ever need someone to talk to. I wish I was there to show my respect for the family. Thank you Mikey for the fun memories...Love, Shaula
