“ *I was so sorry to hear of Mildred's passing. We went to school and church together. She was such a sweet and special person. Loved her posts on Facebook bragging about how her husband always cooked for her and she felt so blessed. I know she will be sorely missed. God be with all your family.*

“ There are no words to describe how much this lady, (my Mrs. Carr) meant to me. I met her at Sugar Hill Elementary School my Kindergarten year. She was a helper to Mrs. Thacker which was my Kindergarten teacher. Mrs. Carr made me stick my hands in glue. I remember my Mom telling me that Mrs. Carr called her and asked her if she told me not to get my hands dirty? LOL. Then, she rode The Scream Machine with me at Six Flags because I was scared. She said she didn't do roller coasters but was riding for me. I went to church with her and her family all my childhood up until 18 years old. I remember when Edward was pastor I would go with them to revivals during the day in the summer. She is and will always be a special lady and I will never forget her. All my love goes out to Edward and the entire family!

God bless!

“ There are not enough words to express what this lady meant to me. She was my Mrs. Carr. I met her at Sugar Elementary School as she was my kindergarten teacher's helper so I have known her a very long time. She made me stick my hands in glue and I will always remember that. IN fact, she called my Mom that day and asked her if she told me not to get my hands dirty! LOL. That has been something I have chuckled at all my life. We went to church with Mrs. Carr and her whole family all my childhood up until around when I was 18 years old. I remember she rode the Scream Machine with me at Six Flags when our church went there on an outing. She was scared of roller coasters just like me but she did it for me! When Edward was Pastor I used to go to revival with them during the daytime in the summer. Those were some fun times! I will never forget Mrs. Carr and am thankful I have the memories of her that I do and no one can take those away. I know she is with Jesus because she was about as perfect as any woman could be. She always walked the talk and you could count on her to pray. I remember her testifying about putting "legs on your prayers" and how the Spirit would hit her when she talked about God. I love Mrs. Carr and the entire family very much! We will see her again one day soon!

God Bless you All!
