“ I worked at Honeywell - EMS Technologies, with Sweet Mildred. We kept in touch on FB after she retired. I was wondering why she wasn't online lately. I am so sorry to hear of her passing but know her health has been declining. She is now at peace, resting with the Lord. Prayers for the family -

“ Oh my sweet Beautiful Moo Moo I really just can't believe that you are gone. You were taken from us so suddenly. I'm so grateful that I got to speak to you and our last words to each other was that we love one another. Your heart has always been so big and your laugh was so infectious that you could cheer a whole room up. We all will miss you so very much. Till we see you again love your Niece Laura McDaniel.

“ I remember Mildred real well we used to live next to her in apartments in Duluth she was always a kind sweet lady with a great sense of humor I shouldn't tell this but one time little Vonny was carrying her clothes into the apartment and dropped her panties and I said hey Lynn you dropped your bloomers and boy Mildred busted out laughing she thought that was so funny she was a sweet loving person and I know she will be dearly missed! Sorry little vonny 😊
