“ *It is said that one cannot choose their neighbors or their relatives, but that you can pick your friends, and when you do, you should take your time & pick them well. We didn't get to pick the Wrights as our neighbors, but boy did we luck out by getting them as neighbors. Wonderful people, and their home became a second home to our son who spent many days at their home, and was given a lot of meals. We are forever thankful.*

Rest in peace Mrs. Wright. You will be missed.

“ You were a light in dark places and able to bring joy, encouragement and wisdom to every situation. You often made sacrifices to make sure that others always had what was needed. There was never a challenge that you couldn't overcome with the grace of God. He was your beacon of hope and way to the answers you needed. Although your work is now completed and you are with your father in heaven, a piece of you will always remain in the lives of everyone you touched. The love you left shining in our hearts will be a constant reminder of who you are in Christ. Rest in peace my sister in the Lord. We will carry the torch you left behind in faith, love and charity. Your superior attitude is embedded in our hearts. God will give your family strength during this time of transition.

Love always

“ To the Wright Family:
It was a pleasure to have had a professional relationship with Imogene. She and my brother were friends at Bartlett Middle School in the early 70's. What a great lady and friend. Pauline and I treasure her singing at our wedding here in Savannah in 1974. Please know that the entire family are in our thoughts and prayers during your time of sadness. With much love and respect, Dr. Charles and Pauline Holmes, Savannah, GA.

“ I met Mrs. Wright when I started teaching at Garden Hills years ago. She inspired me from that first day I was introduced to the staff. Everyday there after she greeted me with a smile and hugs. She never complained. She was always superior plus in every way and helped me to acquire a new experience of the word. We studied at Cambridge college together and continued a very special bond .I remember her visiting me and praying with me on my recent illness while I was in the hospital, not shedding any light on her own. I can hear her shouting to God and the Angels as she does her praise dance. Love you my friend, my mentor, R.I.H.P

“ To the Wright family,
I am sorry for your loss.
A treasure has been lost. She brought joy to my day every time I saw her at Garden Hills. My family and I spent 8 years sharing in her love for each and every student. We love her and will see her again in heaven because that is where she will be waiting for us.
May she rest in peace.
