“ Monica, our friendship was definitely one of a kind. Over the past several days so many memories of us have been coming into my thoughts....Working at Kmart together, Seymour, all of our inside jokes, you driving my dad nuts turning the heat up to 80 degrees in “his” house, and that’s just to name a few. I will forever cherish the friendship we shared and I will see you one day again at the big party up in Heaven. I love you girl!
