“ *Marsha & Michael, My heart hurts for you. I know very well how you feel right now. I lost my mother 5 months ago and the void in my heart and in my life stil aches. I keep reminding myself that she's under much better care in Heaven than she could ever have received here; she's reunited with my Dad and my brother and I visualize the big smiles and hugs they are sharing right now and I can see Monteen and Millard doing the same, TOGETHER AGAIN! and in the presence of our Lord. Monteen was the kindest lady I've ever had the pleasure of knowing; she was the true definition of a real southern lady. To everyone who knew her, life will not be the same without her.*

*Bob and I will see you tomorrow night.*

*With Deepest Sympathy,*
