“ *So sorry to hear of Butch's passing. I worked with him in Chamblee / Conyers for 7 years in the 1970s. Also played softball with him on the John Deere team.*

He was a great guy and friend.

“ *Remembering Butch from High School. We had some good times and always got a laugh and enjoyment from Butch. Linda, I know how tough it must be for you and your family after sharing all these years. I wish I had had more contact the past years but we all kinda drift apart and it is sad. My sincere condolences to you and the family.*
