“ *So sorry to hear about Gerald. He was a coworker at XEROX we had some fun times and shared the Waffle House crave. I will miss him I had just today mentioned him to a friend, the sign he had in his back window, (the closer you get the slower I drive) He was a great friend. May god be with you and family through these times.*

“ Jerry was a wonderful father-in-law to me and a terrific grandfather to Camden. He was a very thoughtful and kind person, always putting others needs before his own. Even though we are no longer related by marriage, he and Linda have always kept in touch with us. He will be deeply missed by many. Praying for peace and comfort for his Georgia family and also for us, his family here in Iowa. Until we meet again. We love you!

“ Linda so sorry to hear of the passing of Gerald. You know how close Gerald and I always were as Techs and until I retired and moved away. I will always remember the good times Marie and I, you guys and Clyde and Joy had together. especially the vacation Marie, I, you and Gerald had together in Hilton Head. How blistered "some folks" got. I know how much you will miss him, I Pray God's peace and comfort for you.

“ Linda, I am so sorry to hear of the passing of Gerald. You know how close Gerald and I always were until I retired from Xerox and we moved away. Marie and I always loved the two of you. I remember the visits and parties together, but my best memory of the 4 of us was our vacation together in Hilton Head and how blistered "some folks" got. I know how much you will miss him. I Pray God's peace and comfort for you. God loves you and so do I.

“ Gerald will be missed by everyone. Linda i am so sorry for your loss. I knew Jerry since the first days at Xerox. He was a fine man and always treated everyone with such kindness. He had a funny witt about himself that you could not keep from laughing and he brought laughter to the whole crowd. Keep strong and May God watch over you in these trying times. I will never forget the { pumpkin mobile ) he had for a company car.
