“ *Marcia and Harry's family, my heart goes out to you. Though we haven't seen each other in years, I still have fond memories of the times in the past that we were able to be together. Harry was the first cousin I had....only a few months apart. I know how much he will be missed. Separation from our loved ones is so hard. I will be praying for God's comfort and strength for you all now and in the days ahead. With love, Beth*

“ Dear Family, I was sorry to learn of Harry's passing. We grew up together as children, attending E. L.Connally Grammar School and Brown High. We played on the school yards together, and our gang of Harry, Bobby Vass, Jack Maddox, and several other kids were dear friends. Though time and distance separated us our memories remain of happy childhoods. Harry was a good man and the world is better since Harry passed through.. I send best and kindest wishes to his family.
