“ *I was so shocked to hear about Loyce because she was such a strong and determined lady and I still thought she would be here forever. Like some other people in my life, God had other plans and there's just no stopping HIM. So, know she is with all of her friends and family that have gone on and I know she is with some of mine, too. I know they are having such a good time, waiting for us to be there, too. God bless all of you in your time of sorry. The bible says "if He leads you to it He will lead you through it." God will always be there to help. All of our prayers are with you.*
