“ My name is Natasha Lopez. My twin sister Nalisha Lopez and I used to visit Kathleen at her home in Flowery Branch. We really enjoyed listening to her stories and sharing a few of our own. I am deeply grieved that so much time passed...we did not get the opportunity to see her in a month before her passing. My condolences go out to her family. They've lost a wonderful mother, grandmother, and great grandmother. I hope we may be able to see Kathleen again so we can express how sorry we are to not have spent at least one more day laughing together... and so that we may laugh again together.
