“ *My sincere condolences to the Blankenship family. It's not always easy to express how we feel when someone we love falls asleep in death. Knowing that our deceased loved ones in God's memory are asleep in death and awaiting a resurrection hope on a paradise earth free from the problems that plague mankind (psalms 37:9,11) can give us solace and kindle our desire to carry on with life. We will keep you in our prayers and hope you continue to receive comfort from family and friends at this difficult time.*
