“ *My nanny, my friend you are so missed. I think of you often and wished I could pick the phone up and say hey OR sit and drink a cup of coffee with you again. My life has forever changed with you all gone. I will see you all again until then I will remember all the good times. Thanks for being so good to me through the years. I love you!*

“ *Dear Elizabeth,  
the last time I saw you was in your lovely antique car with you and in our John. The picture was dated 1994. Ted and I had a wonderful time puttering round as if we owned the road. And we did. Ted and I love you as if you were our family. Say hello to John and to Ted I miss him so very much. In awhile I'll be saying hello.*
