“ *Dear Barbara, Linda, John, Doug and Candace--
Your mom was a very special lady, and I will be forever grateful to her for the happiness she brought to my precious Daddy for so long. What a blessing for them to be reunited in a far better place,
Our love,

“ *Barb, John, Linda, Doug and Candy: Al and I came to know and love your parents at Toccoa Falls and followed each other's ministries for many years. I am saddened to learn of Norma's death, but she is "home" now and there's no better place to be. I admired your Mom so much. She was a beautiful lady, physically and spiritually. I'm so thankful that I had the privilege of knowing her and you children many years ago. You have my prayers and my deepest sympathy. Al has been in heaven for seven years now.*

“ Praying for peace and love at this very difficult time.
Strength for the coming days, and find comfort knowing how much a
mother loves her children, for no other love is greater.

In peace, Darlene

“ My love and thoughts are with you and your family. I loved your
Mother..she was such a blessing when she worked at First Baptist
and she was also in the same WMU group that I attended. What a
classy lady! She and Jack also planned some wonderful trips...the
last one I attended with them was a Hawaii trip...they were so
organized and planned such fun trips. So sorry for your loss. Love,
Carolyn Hannah
