“ *I had the privilege of working with Myrtle at HADCO/Sun Valley for several years and I have the fondest memory of Myrtle. She made the BEST peanut butter cookies in the WORLD, and she often made a batch to share with the co-workers in the office. She brought them to work in a big tin container and without fail, she always had a smaller tin of those peanut butter cookies just for me to enjoy by myself. She knew how much I loved and appreciated her peanut butter cookies. Myrtle was a pleasure to work with and I am forever grateful for her thoughtfulness and kindness!*
