“ Dear Miss Donna. This is Marcia Wellington who work with Miss Jo at the Collins home. There was not a more beautiful and kind and gracious lady as her. My time with her was the best thing that ever happened to me while at that home. I will continue to treasure the moments she shared her words of compassion and kindness with the other residents and with me. Your family will ever be remembered by me.

“ Dear Donna and Cheryl. My husband Dan and I shared many joyous Mobley family events. And special mountain visits with Eddy and Jo. Vivid memories of an older sister who guarded and loved her family. Now she is truly a Guardian Angel to y'all. Be strong. With love.
