“ *I really appreciate hearing from people who knew Nathan. Thank you so much for sharing your memories. Some of my good memories of Nathan are from when we were both little. Even though we were about six years apart, we played together fairly well. Of course we had our arguments. In the morning, I would go wake him up by jumping on his bed and steam rolling him until he got up. He was such a cute little kid. I will miss him very much. I'm adding a couple of my favorite photos of us when we were little.*

“ *Nathan was a dear friend of mine, we had known each other for many many years. He was a great a listener and had no problem telling me the hard things I needed to hear. We had lost contact a few times but always found our way back to each other. I am going to miss our late night conversations and his making me laugh at silly little things. I am deeply sorry for his family's loss. He will truly be missed!*
