“ Attending with *Elika Helm *Jalon Helm her Lil Brother who cherished Nathan's kind patients and attention as a brother.. *Shirley helm Elika's Grandmother! Who Nathan lovingly also called Nanu* There are many other family members not able to attend! We All grieving at this tragic loss for Elika as well for His Dear Family and His presence in our lives? Nathan's relentless Hope for Elika and Him to have a Loving life together was definitely an impact on her life that brought strength and inspiration and Hope which she cherished and met with the depths of Her Heart! they were determined to face every struggle and overcome! They cried out in prayer with me at Christmas for God to give them the wisdom and greater understanding and saving Grace... to recieve and know how to walk in the beauty of the love they shared? This sudden tragedy has definitely changed many plans made! Gods grace will not forsake us to help us continue in the Peace only He can give... His influence and presents in our lives for the time that we had him will go with us to bring about many life lessons that will inspire us on our Journeys! We Love You and Miss You Terribly Nathan! Believing we will see you again! May God's blessings of peace and comfort continue continue to carry Elika and Your Dear Friends And Family... through this time of tremendous grief that we may grow to learn more to never give up on living with such comparable passion and Faith to believe for Better Days. Such as you have shown to my daughter?

“ Please accept my sincere condolences. I'm sadden to mourn the loss of someone so young. May the Vise family find true peace and comfort from God's promise to reunite us with Nathan and our dear loved ones again by means of an earthly resurrection where death will be eliminated forever. Truly, what a glorious and unbelievable day that will be, for God cannot lie!

“ I am so sorry to hear of the loss of my friend, Nathan. I ran the guitar shop at the Guitar Center when Nathan started working there. He was this crazy skateboarding kid. But as I got to know him, it was clear to me that he was a bright talented guy who could really play the guitar. I left GC around 3 years ago but every time I would stop by it was great to see him and his big smile. Nathan was well thought of in the GC family and he will be sorely missed. May you find comfort in this knowledge and happy memories of Nathan. R. I. P.
