“ *Mr. Bleigh always told me to go to Europe when I was young. I was a pharmacist at Rite Aid in Craigsville. I didn't make it until last year. I'm on a cruise again now in 2026 in the British Isles. I thought of him and found this obituary. So sorry that he is passed. He made an impression on me.*

I thought of Doreen because he always told me to go to Europe while I was young. I was a pharmacist at Rite Aid in Craigsville. I finally made it to Europe last year for a Mediterranean cruise and am here again for a cruise of the British Isles. I thought of him and found the obituary. He made an impression on me. Such a very nice man. So sorry that he is gone.

“ *Please pass on to Mr. Bleigh's sister that I once worked for her brother at Smithfield High School in the guidance office. He was a wonderful mentor & I am so sorry to see his passing in the paper. Thank you.*
