“ *Gonna miss those nicknames: Tammy joe, mikie dude, hopie dopie. Our hearts are broken and he is no longer here With us but his laughs I hear in my mind, the smiles I envision, the life lessons he tried to instill in us all. The simple life lessons about working hard, enjoying the simple things, the love he had for Gail and he was her protector. Those things I feel by just a simple memory or moment he created in my life. So thankful I was his favorite daughter in law... well until the next one showed up! Thanks for a great life of simple things!*
