“ *Oh my I don't know where to start. This beautiful lady loved her family and friends. She had a green thumb and sheared it with me. I now can grow flowers and tell you what they are. We went on some many adventures in the woods and on dirt roads . She would take her grandkids and my kids and me on day long trips. We would have aday every summer my kids her kids and grandkids just for fun pool lake. Anything for fun. I have so many wonderful memories being with her. I will miss making my phone call to her. I will miss hearing 889 2214 she said that everytime we talked.Love you always.*
